ⁱ 'When evaluated' is indicative, but may be carried out at any time throughout the selection process.

ⁱⁱ Applicants who are EEA nationals and have trained in a non-UK EEA nation may be eligible to apply without MRCP(UK) under the EU directive 2005/36/EC. To qualify training must meet defined criteria to be considered comparable to core medical training in the UK. For further information, please refer to the JRCPTB website: <http://www.st3recruitment.org.uk/recruitment-process/am-i-eligible/mrcp-uk>

ⁱⁱⁱ 'The published deadline' refers to a deadline date set in each recruitment round; this date will be specified clearly within the published advertisement for that recruitment round. However, please note that those applying via the EEA eligibility route will need their eligibility at time of application.

^{iv} 'Selection centre' refers to a process, not a place. It involves a number of selection activities which may be delivered as part of the assessment process.

^v The GMC introduced the licence to practise in 2009. Any doctor wishing to practise in the UK after this date must be both registered with and hold a licence to practise from the GMC at time of appointment.

^{vi} 'The advertised post start date' refers to the first date from which posts recruited in a round can commence. This will be specified clearly within the published advertisement for that recruitment round.

^{vii} Details of internationally accredited JRCPTB core medical training programmes can be found on the ST3 Recruitment website: <http://www.st3recruitment.org.uk/recruitment-process/am-i-eligible/core-competences>

^{viii} Applicants who have an ARCP outcome with all competences signed off apart from the full MRCP (UK), will be eligible to apply on this basis, subject to the normal rules on completing the MRCP (UK)

^{ix} The *Alternative Certificate of Core Competence* is a document designed by the JRCPTB listing the necessary core competences required for progression to ST3, as defined in the GIM curriculum: <http://www.jrcptb.org.uk/trainingandcert/ST3-SpR/Pages/General-Internal-Medicine.aspx>. The certificate is available to download from the ST3 Recruitment website: <http://www.st3recruitment.org.uk/recruitment-process/am-i-eligible/core-competences>. Applicants must ensure their form meets the requirements detailed on the website.

^x Information on equivalents to ALS can be found on the ST3 Recruitment website: <http://www.st3recruitment.org.uk/recruitment-process/am-i-eligible/other-requirements>

^{xi} Applicants are advised to visit the GMC website which gives details of evidence accepted for registration.

^{xii} Any time periods specified in this person specification refer to full time equivalent.

^{xiii} For information on how experience in acute care common stem specialties will be counted, please visit the ST3 Recruitment website: <http://www.st3recruitment.org.uk/recruitment-process/am-i-eligible/experience>

^{xiv} The '**support for application to another region**' form, signed by the Training Programme Director of their current specialty training programme confirming satisfactory progress must be submitted to the recruitment office at time of application.

^{xv} Exceptional circumstances may be defined as a demonstrated change in circumstances, which can be shown on the ability to train at that time and may include severe personal illness or family caring responsibility incompatible with continuing to train. Applicants will only be considered if they provide a 'support for reapplication to a specialty training programme' form signed by both the Training Programme Director / Head of School and the Postgraduate Dean in the LETB / Deanery that the training took place. No other evidence will be accepted.

^{xvi} Evidence can include portfolio, logbook, ARCP, or equivalent. Where relevant/applicable, workplace-based assessments (eg CbD, mini-CEX, ACAT, DOPS, MSF, or equivalent) may also be used to demonstrate achievement of competences.
