Clinical Teaching Fellow in Paediatric Dentistry (with Honorary Locum Consultant Status), Faculty of Medicine and Health

Salary: New Consultant Contract (£79,860 - £107,668 per annum) depending upon seniority experience

Reference: MHDEN1165

Closing date: 27 November 2019

Interview date: TBC

Fixed term for one year, part time 20% FTE

Clinical Teaching Fellow in Paediatric Dentistry (with Honorary Locum Consultant Status)

School of Dentistry

Would you like to have a key role in inspiring our students to develop to their full potential through provision of best educational experience and clinical teaching? Are you an enthusiastic clinician with an interest in dental education?

This post is a unique opportunity for your continuing development as a clinical teacher. With a dental qualification and full GDC registration as a specialist in paediatric dentistry you will contribute to teaching students in the School's undergraduate and postgraduate programmes in paediatric dentistry.

You will contribute to the maintenance and further development of excellence in the quality of education of undergraduate and postgraduate students at the School of Dentistry. You will also have a key role in inspiring our students to develop to their full potential through provision of best educational experience and clinical teaching. Responsibilities will include both pre-clinical and clinical supervision of students. Ideally you will have experience of innovative approaches to dental education with evidence of contributing to programmes of study whilst supporting and enthusing others. You may have a teaching qualification.

You will participate in the maintenance and further development of excellence in the quality of education within the School of Dentistry/Leeds Dental Institute. Responsibilities will include clinical supervision of students and support for clinical audit and service evaluation projects. This post will suit enthusiastic clinicians with an interest in paediatric dentistry and dental education, and who wish to explore the potential for an academic career in paediatric dentistry.

What does the role entail?

As a Clinical Teaching Fellow in Paediatric Dentistry (with Honorary Locum Consultant Status) your your main duties will include:

- Delivering paediatric dentistry teaching to undergraduate and postgraduate dental students within the School of Dentistry;
- Contributing to clinical supervision and teaching in the undergraduate paediatric dental clinic in Leeds Dental Institute;

- Giving pre-clinical and clinical demonstrations;
- Assisting with examinations, continuous assessments and assignments including marking (written and oral); and providing timely feedback to students;
- Undertaking relevant training and development to maintain up to date knowledge and own continuing personal and professional development;
- Contribute to clinical service provision for referred patients to enhance the experience of students;
- Willing to be involved with the admissions process especially the Multiple Mini Interviews for all programmes within the School of Dentistry.

Complementing the above activities, you will maintain clinical commitments with an honorary locum consultant remit. Further details about the clinical service and requirements at this level can be found in **APPENDIX A**.

These duties provide a framework for the role and should not be regarded as a definitive list. Other reasonable duties may be required consistent with the grade of the post. You will report to Professor Bernadette Drummond, Head of Department and Division of Paediatric Dentistry and Orthodontics.

What will you bring to the role?

As a Clinical Teaching Fellow in Paediatric Dentistry (with Honorary Locum Consultant Status) you will have:

- A dental qualification (BDS, BChD or equivalent) with full registration with the General Dental Council;
- Registration on the GDC Specialist List in Paediatric Dentistry or the requirements to apply (or within 6 months of eligibility for inclusion);
- Membership in Paediatric Dentistry of a Royal College of Surgeons or its equivalent;
- Possession of a Certificate of Completion of Specialty Training (CCST) in Paediatric Dentistry or the equivalent training as assessed by the Royal College of Surgeons of England;
- Successfully completed an SAC-approved 2-year minimum training programme in a Fixed Term Training Appointment (FTTA) in Paediatric Dentistry, or its equivalent;
- Intercollegiate Specialty Fellowship Exit Examination in Paediatric Dentistry or equivalent;

- Experience of working as a Paediatric Dental Specialist with children in Hospital or Community Dental Service;
- Clinical experience, acumen and the ability to contribute to effective clinical and academic education in the discipline of Paediatric Dentistry in an educational setting;
- Ability to manage Specialist Paediatric Dentistry dental issues;
- Evidence of enthusiasm and commitment to the promotion of quality enhancement in dental education;
- High levels of communication and presentation skills;
- Effective interpersonal and time management skills;
- Experience of enthusing and inspiring others and working successfully as a member of a team;
- Commitment to your own personal and professional development.

You may also have:

- Innovative ideas for dental education;
- Clinical experience, acumen and ability to contribute to effective clinical and academic education;
- Teaching experience;
- Possession of a formal teaching qualification or currently undertaking training in teaching.

How to apply

You can apply for this role online; more guidance can be found on our [How to Apply](#) information page. Applications should be submitted by **23.59** (UK time) on the advertised closing date.
