

NIHR CL Supplementary Question Guidance

The NIHR CL Supplementary Questions form is at the end of this document. Please ensure that you meet the criteria in the NIHR CL Supplementary Person Specification (Appendix 1) and eligibility criteria outlined in the main section of this document.

Academic Achievement and Professional Qualifications

University attended

Please provide the name of the university or universities that you have attended with dates where you gained your professional or academic qualifications. For each, please name the Department or School where you were based for your study.

Degree/Diplomas

Please provide all the qualifications that you have achieved, which you feel are relevant to your application for an NIHR Clinical Lectureship. Where a class or grade was associated with your qualification, please provide this information. The date and awarding body of your qualification(s) should also be provided. Please note that original certificates will be requested at interview.

Prizes or other academic distinctions

Please list any prizes or academic distinctions (maximum of six), which you have gained and provide the date of award and the awarding body for each.

Key and Relevant Academic Achievements

Prizes and other academic distinctions

This section gives you the opportunity to provide further detail about the prizes or distinctions you have achieved. Please select those that are relevant to your application for an NIHR Clinical Lectureship and briefly describe what you did in order to be recognised with a prize or distinction.

Prizes and other academic distinctions

This section gives you the opportunity to describe the research you completed for your PhD. Please include a brief description of your main findings and the impact these have had.

Examples of impact could include:

- Contribution of research to practice, diagnosis, treatment or management of patients
- Contribution of research to the understanding of a disease process
- Changes to a service (e.g. a referral pathway); and translation of a research finding or development into clinical practice (e.g. a diagnostic tool)

Please also give details of the research methods that you used. Please do not exceed the 750 word limit.

Research training received to date

This section provides you with the opportunity to give details about any other research training you have received to date. You only have 250 words; however, please give brief details of any training courses or projects that you have been involved in.

Publications

Please list all your publications. Please note that short-listed candidates will be required to provide copies of their peer-reviewed publications at interview.

Presentations/posters

Please provide details of any posters or presentations you have given at both national and international conferences. Please make it clear which are national and which are international.

Other Relevant Experience

Teaching experience

Please describe any experience you have of teaching and indicate where this is relevant to research. You may also include examples outside of medicine.

Management or leadership

Please give examples and brief details of the experience you have had of developing your management or leadership skills.

Aims, Career Objectives and Commitment to a Career in Academic Medicine

Medium and long-term career goals

Please indicate your medium and long-term goals in relation to academic medicine. You might wish to say what you are aiming to be doing in 5 and 10 years' time.

Managing completion of clinical training

Please use this section to describe how you will manage the completion of your clinical training alongside your academic development. Please provide a timetable of your plans.

Support from Host Department

Please explain how the host department offering the NIHR Clinical Lectureship you have chosen will support your research aims and career objectives.

Any further information

Please use this section to provide information which might support your application that has not been covered elsewhere on the form. Please describe the skills and attributes that you feel you have which make you a suitable candidate for an NIHR Clinical Lectureship.
